REPLY TO OFFICE ACTION

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Advisory Action dated November 14, 2003, Applicants submit the following amendments to the specification, listing of claims, and remarks.

Essentially, the application was placed into condition for allowance with the last reply, filed October 20, 2003. However, the reply filed October 20, 2003 did not contain the required listing of the claims. This reply is submitted to remedy that defect, with the amendments of the reply filed October 20, 2003 submitted again in proper format. For completeness it is noted that an additional typographical error in the specification is corrected.
